## WHAT'S IT ALL ABOUT?

Messy Christmas is a special event for families of all ages, from **babies** and **toddlers**, **primary** and **secondary** school, to **parents**, **grandparents**, **aunties**, **uncles**, to come together to have fun!

Together we will explore importance of Christmas through **creative crafts** and **sports activities**, with enough to do for up to an hour for both **boys and girls**.  
*(soft play space available for younger children)*

Next, we gather together for some Christmas snacks and drinks before unpacking something of what Christmas is all about through story, song and prayer

All this in just one afternoon!

***"I wish church was like this all the time!!"*** (Ross, aged 8)

***"It's a really fun, welcoming place to be, I wish it was on every week!"*** (dad of two boys, aged 9 & 5)
